Spring Term Highlights

World Book Day 2026 was a huge success.

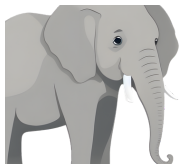

The theme was 'Exploring emotions through stories'.

Children were invited to either dress up as a favourite book character or alternatively in a colour to represent different emotions

The children also experienced sensory activities relating to the Chinese New Year. These included food tasting and dragon dances.

In the Summer Term we will be completing our sponsored **'March of the Elephants'** walk to support the charity that kindly donates our Pantomime tickets yearly.

Jessie's Fund

Inspired by her love of music, Jessie's parents founded Jessie's Fund to help seriously ill and disabled children use music to express themselves.

Representatives from the Fund have been working with children from across the Castleford site. We would like to express our thanks to Jessie's Fund as our children have thoroughly enjoyed these sessions

This term, Class 6 are exploring the topic of 'Keen to be Green'. We will explore our local environment and understand how we can look after it to protect the world around us. We will clean and tidy the school by engaging with the 'Kingsland Big Spring Clean'. We will participate in a variety of recycling-based activities such as sorting our recycling, modelling with recycled packaging and reusing home items we no longer need.

In English, we will focus on 'Myths and Legends', reading stories such as 'George and the Dragon' and other classics.
