Our Curriculum Topics for this Term

Lower School - Weather and Seasons

Upper School - Earth and Space

We are experiencing a very wet and wintery season!
If there are any updates in relation to adverse weather, we will contact all parents and carers via email at the earliest possibility.

Half Term

W/c 16th February 2026

Last Day of Spring Term

Friday 27th March 2026

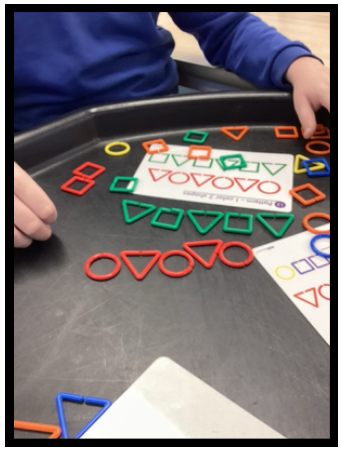

First Day of Summer Term

Monday 13th April 2026

Parent Sessions in School

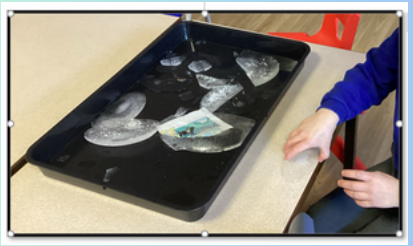

You should have received information via email regarding the upcoming sessions in your child's class.
Please contact the school office if you need further information.

CLASS NEWS!

This term class 3 are learning all about the weather. We are creating our own weather maps and pretending to be daily weather readers, sharing forecasts with the class. We are also exploring rainfall by measuring how much rain we receive throughout the term and recording our results.
We will use art materials to create weather pictures, combining science and creativity to show what we have learned over the term

Polite Reminder:
Please send in warm coats, scarves, hats and gloves so we can continue enjoying our learning outside!

Autumn Term Highlights

The children took part in a number of exciting Christmas events in December!

Katie Robinson from Short Breaks attended the latest parent coffee morning.

Pupils who were new to Kingsland in September settled in well!

Lower school classes gave performances as part of the Christmas events.
