CLDD Non-Subject Specific Curriculum Overview

Intent

Curriculum intent driven by:

* Individual IEPs and EHCP Outcomes
* Individual programmes set for SALT, physio, MATP, positive looking, OT
* Building prerequisites for learning across key areas of development

Implement

Breadth of Experience through Curriculum Activities across:

* Literacy and Communication
* Cognition and Learning
* PSED
* Physical
* Individual plans, programmes and interventions

Impact

Engagement Model assessments collated through:

* Formative assessments (Quest Maps, daily assessment for learning using E4L to demonstrate observations, annotations, photographs, products of work)

* Summative assessments (termly qualitative assessments)
